Profile

A skilled web developer specializing in both web design and development, with a knack for crafting visually appealing and user-friendly interfaces. Possessing proficiency in both front-end and back-end technologies, my expertise lies primarily in front-end development. Dedicated to creating seamless and immersive web experiences, I thrive on turning ideas into reality. Ready to showcase my talent and dedication to potential collaborators.

Projects

- Aug 2023 - Dec 2023
Inbeautiful Room Furniture
Project Based Learning Semester 1
Create a simple web-based application for home furniture sales services
- Apr 2021 - Apr 2021
Website Company Profile
Creating a landing page for the profile of a company engaged in blasting painting located in Batam.
